\* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

### \* Benefits

4 oz serving appeals to patrons seeking a larger burger. Lightly seasoned for ultimate versatility in menu applications and flavor possibilities. Fully cooked product saves your back-of-house staff time and labor, and curbs food safety concerns. Multiple preparation options provide operational flexibility for speed of service. Portioned servings eliminate waste, reduce clean up required and minimize yield loss

### Ingredients

Ground beef (not more than 30% fat), seasoning (salt, brown sugar, sugar, natural flavors, spice), natural flavor.
