* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Versatile chicken breast cutlets can be used on sandwiches or in endless center-of-plate applications, providing great bun and plate coverage every time. Provide consistent portion size and shape, making it easy to cost estimate individual servings while providing patrons with consistency they can count on. Unique, scratch-made taste without added labor back of house. Golden brown flour and cracker crumb breading provides consistent crispy texture and authentic appearance every time. Fully cooked product provides quick and easy preparation while minimizing food safety concerns.
