### Handling Suggestions

Frozen

## Serving Suggestions

Steak-EZE Traditional Beef Flat Steak can go from grill to plate in 90 seconds. Marinated to enhance the natural beef flavor, these quality steaks can be filled into small tortilla cups for a delicious beef carnitas bites appetizer or sprinkle the pieces on top of a mouthwatering beef and bleu cheese pizza for a topping your customers will love.

# Prep & Cooking Suggestions

Uncooked: For safety, must be cooked to an internal temperature of 165F as measured by use of a meat thermometer.

This is a raw product. This product is not ready to eat. It is designed to be heated to 165F before serving. Verify temperature with a meat thermometer, as cooking times will vary due to differences in appliances and weight of product. Flat Grill Preheat to 350F. Place frozen portion on grill. After the portion has cooked through about half its thickness, approximately 1-2 minutes, flip the portion once. As the meat slices begin to cook, separate them with a spatula and add any desired seasoning. Continue to cook the meat another 1-3 minutes. Meat should have a firm, cooked appearance.
