## \* Benefits

Pre-breaded and fully cooked product provides consistent food and labor costs and improved food safety. Fully cooked product saves your back-of-house staff time and labor. Pre-portioned to help reduce waste and cut labor costs. From the freezer to oven or fryer with no thawing necessary improves speed of service for any operation. Pre-cut with no knife required provides great value for you and consistent taste, texture and quality for your customers.

## Ingredients

## Handling Suggestions

Frozen

## Serving Suggestions

AdvancePierre™ Blue Label Breaded Veal Steak is a great choice as a delicious center-of-plate dinner entrée. This lightly breaded veal can be served over angel hair pasta with sliced mushrooms, diced Roma tomato, and bacon pieces in a lemon butter for a tasty meal sure to become a new customer favorite.

## Prep & Cooking Suggestions

Conventional Oven Temp. - 350°F Time- 10-12 min. For your customer's continued food safety, heat raw and fully cooked products to 165°F before serving. Check internal temperature with a thermometer. Thaw frozen meat and poultry in the refrigerator or microwave. Always wash work surfaces and your hands before handling food. Keep raw meats and vegetables separate from cooked product. Freeze or refrigerate leftovers immediately. Cooking times may vary due to differences in appliances and the weight of the product.
