## Benefits:

The honeybees have visited the blossoms from the orange groves in the U.S. and gathered the nectar to make their delightfully light-in-color and sweet tasting 100% pure honey with a deliciously subtle hint of citrus. The bouquet of this honey is light and pleasant. Is conveniently packaged in our user-friendly, specially designed handled jug to make pouring and measuring the honey a smooth experience. Its perfect for sweetening beverages or drizzling over breads, rolls, biscuits, and desserts. Makes an excellent ingredient for salad dressings and dessert sauces. True Source Certified Product. SQF Level 3 Certified Facility.
