Serving Suggestions

This prime cut of pork is perfect for serving as a "special" at your restaurant. The ribs can be "Frenched" prior to roasting for a more elegant presentation. The mild flavor of a pork loin provides the perfect background for almost any seasonings and/or sauces. For a traditional flavor, rub with garlic, rosemary and sage before roasting and serve with roasted apples and cornbread dressing. An ethnic twist could include chile, garlic and lime marinade served with chipotle mashed potatoes and grilled zucchini.
