

MCCORMICK

206016 - Food Color Shade Red 930651

McCormick Culinary Red Food Color adds rich color to a variety of recipes. McCormick Culinary Red Food Color features an intensely rich red color. Crafted especially for chefs, McCormick Culinary Red Food Color is tasteless and stays consistently red between and during each use for idea; performance and broad usage. McCormick Culinary Red Food Color is kosher, gluten free and made with no MSG added. There are 6/32 oz. plastic bottles per case. Our 32 oz. size is perfect for dispensing individual drops of color at a time until desired hue is achieved, and the flip top can easily be unscrewed to add larger amount of color to any bulk recipe. McCormick Culinary Red Food Color delivers consistent color to frostings, icings, beverages and custards. McCormick Culinary Red Food Color adds a decorative touch to cakes or any sweet indulgence and can be easily mixed with other McCormick Culinary food coloring flavors to create a fun, festive flair.
