004381 - **Tomato Wedges Roasted Red Seasoned**

We roast our USA-grown tomatoes 'low and slow' to ensure they stay juicy, robust and summery sweet. Marinated in garlic and herbs, these tomatoes are a star ingredient from breakfast (frittata, quiche) to lunch (sandwich, salad) to dinner (roast chicken, salmon). They are also Dairy Free, Gluten Free, Kosher, Non-GMO, Vegan, and Vegetarian. Quite simply, there is no substitute for a Divina roasted tomato. Handpicked, harvested, and produced in the USA, our tomatoes are slow-roasted at a low temperature to draw out the fruit's natural sweetness. Our proprietary recipe and production process locks in the summer-fresh taste of the tomato all year-round and allows the tomato to maintain its plump texture and juiciness, providing consistent and well-rounded flavor.
