

KIKKOMAN 005317 - **Oil Sesame Non Gmo Gf**

Kikkoman Preservative-Free Non-GMO Toasted Sesame Oil is made with just one ingredient: freshly toasted, non-GMO sesame seeds, which are simply pressed, filtered, pasteurized and bottled with no additives or preservatives. Unlike most cooking oils, sesame oil is best used right from the bottle as a finishing seasoning or as an ingredient in cold applications, like dressings and dipping sauces. Kikkoman Preservative-Free Non-GMO Sesame Oil adds a rich, nutty and distinctively Asian flavor accent to soups, dressings, quick pickles, scallion pancakes, marinades, stirfries and dips.
