

Value-Added Foodservice Fresh Cut Brussels Sprouts

- North America's largest Brussels sprouts supplier provides convenience and freshness to this growing category.
- Year-round, Brussels sprouts can be enjoyed in many ways: fresh, roasted, even grilled. Versatile value-added formats increase menu options.
- As a good source of vitamins C, K, and folate, Brussels offer much more than plate appeal.

- Whole or Gourmet (halved) options available
- Thoroughly washed
- Shipping from California and Arizona seasonally
