No-GE ORANGE JUICE

Product Description: Orange Juice

Sensory Evaluation:

Appearance: Typical Orange Juice

Color: Orange

Flavor: Similar to the flavor of juice extracted from fresh mature sweet oranges. The orange juice may be slightly affected by processing, packaging, or storage conditions.

Texture: Reasonably free from defects (juice cells, pulp, seeds or portions of seeds, specks, particles of membrane, core, peel, or any other distinctive features that adversely affect the appearance or drinking quality of the orange juice) means the presence of defects does not seriously affect the appearance or drinking quality of the orange juice.

Shelf Life:

17 days from packaging date unopened, 3-5 days after opening with continuous refrigeration at 34-38°F. The company reserves the right to move to 15 days during short seasonal periods of diminished fruit quality. Or, 2 years from manufacture date if the product is frozen.
