* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Ingredients

Beef

Allergens

Free From:

- crustaceans
- mollusks
- eggs
- fish
- milk
- peanuts
- sesame
- soy
- tree nuts
- wheat

Handling Suggestions

Cook or freeze fresh beef within 3 to 5 days. Wrap securely to maintain quality and to prevent meat juices from getting onto other food. To maintain quality when freezing in its original package, wrap the package again with foil or plastic wrap that is recommended for the freezer. Thaw all frozen meats in the refrigerator. This will preserve flavor and tenderness. Meats should be left in their sealed wrappers while thawing. Once thawed, remove the meat from its wrapper, pat it dry using a clean paper towel, and place it back in the refrigerator to continue drying the surface of the meat. A dry meat surface results in a superior sear when the meat is cooked at high heat.

Serving Suggestions

4 oz

Prep & Cooking Suggestions

Grilled, roasted, or skillet-to-oven this cut is the star of any plate it sits on. Cook until internal temperature is 160F
